Dear Mr. Schramm,

On behalf of Mr. Shashi Tharoor, Under-Secretary-General for Communications and Public Information, who is currently away from Headquarters on official business, I note with interest your proposal to celebrate the United Nations 60th Anniversary with a music video-clip to be arranged, recorded and developed by young people around the world.

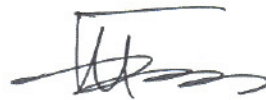

Based on the information you provided, we believe the project meets the criteria of a UN60 event. Use of the UN60 logo is acceptable, therefore, provided the conditions stipulated in the attached guidelines are adhered to.

Promotional assistance for the video can be considered once the final version has been reviewed by the Department, and if the end product is found to fit the United Nations profile.

Please direct your future communications to Ms. Dana Loytved, Chief of the Public Relations Section (e-mail: loytved@un.org), who will act as facilitator. She has already placed an order with the Video Library for the film clips you have requested, and will notify you once the material has been received. She will also serve as liaison with other staff members of the Department as required.

Thank you for this creative initiative in support of the United Nations.

Yours sincerely,

Ahmad Fawzi
